Loans for Disadvantaged Students (LDS) and Health Professions Student Loans (HPSL) are need-based federal loan programs that provide long-term, low-interest rate loans to full-time students from disadvantaged backgrounds pursuing a Doctor of Medicine (MD) or Doctor of Dental Surgery (DDS) degree. The Health Resources and Services Administration and Bureau of Health Professions fund the LDS and HPSL programs which are offered on a first come, first served basis to those who qualify.

Applicants and parents must submit the Parent Income & Resource Certification form and parent tax information for determination of eligibility, *regardless of the student's age or marital status*. Unless both parents are deceased, a student who does not provide parent demographic and tax information *will not be considered* for LDS or HPSL funds. If parents are deceased, please provide documentation (i.e., death certificate).

DDS students that do not qualify for the LDS loan will automatically be screened for the Health Professions Student Loan. The HPSL loan is not available to MD students.

Parent Data Determination

- Married/Remarried Parents: Include information for both parents/stepparents even if they filed separate tax returns.
- Unmarried Parents living together that were never married, divorced or separated: Include information for both parents.
- Divorced, Separated and not living together or Single Parents that never married: Include the information for the parent who provided more financial support during the past 12 months. If either parent does not support the student financially, include the information for the parent with the greater income and assets.
- Widowed parents: Include the information for the living parent and provide a copy of the death certificate for the deceased parent.

When necessary, submit a separate form for both parents.

Submit forms online via myUTH or in person at UCT Building, 7000 Fannin, Suite 2220, Houston, TX 77030
